

# Kolster-Brandes Transportable Receiver

## Model K-B 425

### 1. GENERAL

#### 1.1. DESCRIPTION

The chassis of the K-B 425 receivers are similar in almost every respect to those fitted to the K-B 405 and K-B 405A receivers, and reference should be made to the "R" (K-B 405) section of this Manual if service information is required.

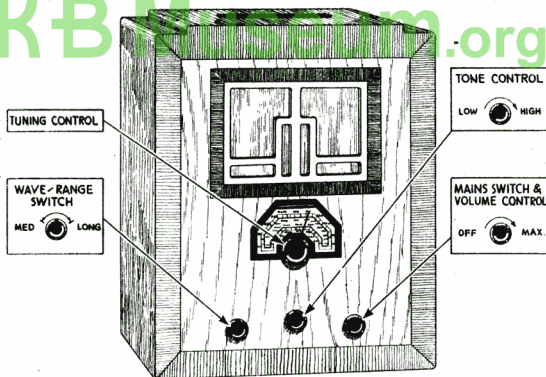

FIG. 1.
